Co-pilot session

Excited to share highlights from our Copilot Cafe held on 15th April at Noida! The session brought together colleagues to explore Microsoft Copilot, share real-world use cases, and learn through interactive breakout discussions. From improving productivity and drafting content to understanding responsible AI use and governance, the cafe sparked meaningful conversations and hands-on learning. A big thank you to our presenters Rahul, Vivek, Prachi and all participants for making this an engaging and insightful session. " created this morning.

ECP Calendar event - Innovation month

Innovation Month is here! This May 2026, we're rolling out an exciting Viva Engage campaign to celebrate creativity and fresh thinking across GDSC. Every Monday in May starting today, we'll post a thought-provoking questions on innovation and invite everyone to share their ideas throughout the week. Love an idea? Show your support by liking it! 💡 The idea with the maximum likes will earn its creator the Top Innovator of the Week recognition. Let's spark conversations, inspire one another, and make every Monday a launchpad for new ideas, meaningful discussions, and a culture where innovation truly thrives.
